[17th March 1959

Appendix III.

[Vide answer to starred question No. 848 asked by Sri M. K. Somasundaram (on behalf of Sri P. G. Manickam) at the meeting of the Legislative Assembly held on 17th March 1959, page 480 supra.]

List of Industries which have been allotted space in the Industrial estates and colonies.

Industrial estate, Guindy.—Industries manufacturing gang operated voltage air break switches, welding battery boxes and angles, electrical switch gear for voltages up to 220 k.v. electric motors, household pumps, alkathene films and pipes, pen spares, hand tools accessories, bolts and nuts and attaches, water proof and special papers, small and medium industrial forgings, welded wire mesh, gear wheel, brass casting, forging and water meter components, machine screws, engineering metal parts, corrugated boards boxes, cinema projector equipments and allied machinery, radio amplifiers and components, wire nails, industrial leathers, belting washers. builders hardware, spectacle frames, tin containers and aluminium utensils, aluminium and copper wares and water tight fittings (lamps), weighing scales, emptv tins, a precision machine shop, die casting, tools and hot dip galvanizing conduit pipes, pins and gem clips, mathematical instruments, automobile spare parts, metal spraying main switch for lighting and motors and remote control, spares for tractors and agricultural implements, non-ferrous casting, cable manufacture, street light fittings, railway tract materials, auto-components, turned parts required for general engineering purposes, thin walled engine bearings, machine screws coil springs, electric switches, sockets and other accessories, clocks, wirenail, tinsmen and rivet making.

Industrial estate, Salakkarai near Virudhunagar.—Industries manufacturing tin containers, various sizes of canes, electro-plating, paper pints, gem clips and snap buttons, panel pins, nibs and clips for fountain pens and steel pens.

Industrial Colony, Erode.—Industrial manufacturing plastic sheet, agricultural implements for scientific method of cultivation, builders, hardware, electroplating articles for the railways involving casting, moulding and lathe work, conduit pipes and electric motors.

Industrial Colony, Madurai.—Industries manufacturing wire nails and panel pins, automobile leaf springs, starters for electrical motors, demestic deep well pumpsets, flat belts, bolts and nuts, oil seals, binges and tower bolts, commercial metric weights, electrical accessories snch as switch, holder, socket, plug pins, steel furniture, steel almirah and racks.

Industrial Colony, Ariyamangalam (near Tiruchirappalli).—Industries manufacturing bullock shoe nails, high-tension switches and fuse, radios and allied products.

The Industrial Colonies at Pettai (near Tirunelveli), Kunnathur (near Marthandam) and Tanjore have not yet been started.
